Copilot+PC

The fastest, most intelligent Windows PCs ever

Power up

With a turbocharged neural processing unit (NPU) powered by AMD Ryzen™ AI 300 Series, Intel® Core™ Ultra 200V Series and Snapdragon® X Series, your experience is unmatched with lightning speed and smooth performance.

The speed you need

Top-performing Copilot+ PCs are among the fastest in their class, offering superior responsiveness and multitasking power

Forget your charger

With up to 22 hours of local video playback and up to 15 hours of web browsing, go all day without a charger.

Your new superpowers

Like magic. Brilliant new AI features designed to enrich your everyday life.

The most secure Windows PCs yet

Secured-core PC and the Microsoft Pluton security processor help safeguard you and your data. It's like having your own digital bodyguard.

Turbocharged NPU

Why follow when you can set the pace? With the NPU on the AMD Ryzen™ AI 300 Series, Intel® Core™ Ultra 200V Series processors, you'll have 40+ trillion operations per second (TOPS) to work with.

**WHERE TO BUY?  
SCAN ME**

Offers and prices are available until 30/6/2026 or until stocks last. Details correct at time of printing. We reserve the right to correct errors/or misprints and to change product specifications. Stocks may vary from store to store. Delivery may be slightly longer in some country areas due to courier delays. Freight charges may apply in some country areas. Onsite Warranty only covers systems (excludes peripherals and software). 12-24 months return base warranty on notebooks, extended warranty available. 12 month warranty on batteries in notebooks and tablets. Prices may subject to change without notice. E&EO. Pictures are only for illustrative purposes. Supplied product may appear different. Actual colours may vary slightly to printed colour. Accessories are for display purposes only and are not included unless specifically nominated. All products are advertised in good faith and will be available except in circumstances beyond our control. Despite our careful planning, we apologise if selected items may sell out quickly due to unexpected high demand. Intel NUC's are barebone units only and require storage and memory to be added.
